---

## BUSINESS EXPERIENCE

- 2023**             **American Express, London, United Kingdom**  
**Finance Summer Intern (June – August)**
  - Received an offer to join American Express as an MBA Intern with the Finance team
- 2020 - 2022**     **TATA INDUSTRIES, Mumbai, India**  
**Tata Industries promotes and incubates the Tata Group's entry into next-generation businesses**  
**Senior Analyst, Projects (Energy)**
  - Managed Tata Group's £100 Mn investment in Flisom, a Swiss startup that develops thin-film, flexible solar modules; reviewed operation reports and worked closely with CEO on strategic initiatives
  - Reviewed term sheets and led negotiations with banks for Flisom's €35 Mn fundraising round of bank loans and equity to establish its first 50MW manufacturing facility in Hungary
  - Developed a sales pipeline model and formulated sales strategy (£6 Mn in sales orders received over 2 years); model was implemented at all other Tata Industries' portfolio companies
  - Explored and appraised investment opportunities in energy storage and green hydrogen sectors; assisted in a technical due diligence of a £100 Mn California-based energy storage company
  - Prepared deep-dive reports, developed hypotheses on green hydrogen for the Tata Group Chairman
  - Led a four-member team to support Mr. Ratan Tata as Co-Chair of the Trade & Investment Taskforce at the B20 Summit (2020); delivered policy recommendations that were included in the final report
- 2018 – 2020**     **JP MORGAN CHASE & CO., Mumbai, India**  
**Equity Research Analyst, North American Oilfield Services**
  - Built and maintained financial models, conducted valuation analyses, and prepared equity investment research reports on the coverage group with £200 bn+ in market cap for the firm's clients
  - Headed a quarterly report of U.S. Oil & Gas Capital Spending read by 1000+ investment managers; widely regarded by investors as among the most comprehensive thematic reports on the Street
  - Co-led a 200-page deep dive research report assessing the sector's competitive landscape; key to team ranking #1 in Institutional Investor's 2020 Survey of 1,300+ investment firms
  - Captained a 10-member team to win JP Morgan India's annual stock picking competition (2019)
- 2017 - 2017**     **ROTHSCHILD (INDIA) GLOBAL ADVISORY, Mumbai, India**  
**Investment Banking Summer Analyst**
  - Studied precedents to analyze acquisition premiums paid to delist companies; used in valuation analyses for a key client of the firm
  - Built a cross border pitchbook showcasing five targets in the Indian logistics space; used to establish discussions with an international PE fund

---
